Zyplex DIGITAL | CLOUD & DEVOPS SERVICES

Managed IT, cloud & DevOps

Your 24x7 IT team.

Support, DevOps, modernisation, cost, security and compliance.
One partner for everything in IT, except running your business.

24x7 Managed Support
NOC monitoring, servers, desktops, Microsoft 365, L1–L3 engineers.

DevOps
CI/CD, infrastructure as code, Docker and Kubernetes on AWS, Azure, GCP.

App Modernisation
Legacy apps to containers, microservices and serverless.

Cost Optimisation
Right-sizing and waste clean-up. Stop paying for cloud you don't use.

Security
Hardening, vulnerability management, WAF and zero-trust access.

Compliance
Audit-ready for ISO 27001, SOC 2, GDPR and PCI DSS.
